Access Code:	10158093

A live and archived webcast of the conference call will also be available at the Company's investor relations website at <https://ir.kuke.com/>.

About Kuke Music Holding Limited

Kuke is China's leading comprehensive music group encompassing the entire value chain from content provision to education services. By collaborating with Naxos, the world's largest independent classical music content provider in the world, the foundation of Kuke's extensive classical music content library is its unparalleled access to more than 900 top-tier record companies. Leveraging its market leadership in copyrighted classical music content in China, Kuke provides highly scalable classical music licensing and subscription services to over 700 universities, libraries and online music platforms. In addition, it has hosted BMF, the most renowned music festival in China, for 23 consecutive years. At the same time, Kuke provides consumers with premium music content, music literacy education, talent competitions, and public performances through its apps, Kuke Music and BMF Club. Through KUKEY, the Company's proprietary AI music education system, Kuke aims to democratize music education via technological innovation, bring fascinating music content and professional music techniques to more students, and continuously improve the efficiency and penetration of music learning. By integrating music content and education, Kuke is constructing a unique AI-driven music education ecosystem and providing students with full life-cycle music programs.
